Buccaneer Explorer Highlights

- King Sound is home to Australia's largest tides and amongst the highest in the world.
- Horizontal Waterfalls described by David Attenborough as **'the 8th Natural Wonder of the World.'**
- Buccaneer Archipelago, home to 1,000 islands made of Precambrian sandstone over 2 billion years old.
- Koolan and Cockatoo Island, home to the world's richest iron ore deposits.
- Explore Kooljaman at Cape Leveque with refreshments and a swim. Home of the Bardi Jawi people, one of the only sea faring Aboriginal tribes in Australia.
- Coastal return flight along the bays and beaches of the Dampier Peninsula with views of Beagle Bay, James Price Point, Willie Creek Pearl Farm and Broome's world-famous Cable Beach.
- Breakfast/Lunch or Morning/Afternoon tea provided depending on tour departure times.

*The Horizontal Waterfalls is a natural phenomenon which is tide dependant with variable flow. Whilst we do our very best to arrive at a time of optimum flow, we cannot guarantee the amount or level of water flowing through the Horizontal Waterfalls at any given time.
