CYGNETS BAY

PEARLS OF AUSTRALIA

\*During neap tides, the Giant Tides Sea Safari is replaced by the Island Explorer Sea Safari. This neap tide experience traverses the intertidal zones of the beautiful and deserted 'thousand islands' which make up the Buccaneer Archipelago. Due to scheduled tours at Cygnets Bay Pearl Farm, we cannot guarantee the amount or level of water flowing through the Horizontal Waterfalls at our chosen time of arrival. Tour may be subject to itinerary amendments between the months of December – March due to wet season weather. Due to safety reasons the minimum age for the sea safaris is 5 years.
